Product Description

The PENN Wrath was built around legendary PENN durability. Featuring a lightweight and corrosion resistant graphite body with a machined and anodized aluminum spool, these reels will give you the confidence you need when targeting large fish. The 2 shielded stainless steel bearings and instant anti-reverse give a smooth and reliable gear feel. Available in sizes 2500 to 8000. Saltwater breeds a different kind of angler. It toughens you. It cures you like bacon. It leaves you thirsty for the next fight. Hard core saltwater anglers need equipment that is as tough as they are and as reliable as the rising tide. At PENN, we've been testing the limits of saltwater fishing since 1932, which is why our reputation for durability runs so deep. PENN. LET THE BATTLE BEGIN.
