Basic Information

- Place of Origin: Shandong China
- Brand Name: Sunrise
- Certification: ISO
- Model Number: B89
- Minimum Order Quantity: 100 Pieces
- Price: 395 USD/Piece
- Packaging Details: Negotiated / Standard Package
- Delivery Time: Negotiated / 20 Working Days After Payment
- Payment Terms: T/T
- Supply Ability: 10000 Pieces/Month

Product Specification

- Features: Gps Sonar Fishing
- Product Name: RC Fishing Bait Boat
- Material: ABS
- Control Distance: 500m
- Load Capacity: 16kg
- Application: Outdoor Activities Fishing
- Position: Ocean Boat Fishing, Ocean Beach Fishing, Lake, Reservoir Pond, Ocean Rock Fishing, Other, River, STREAM
- Size: 69*43*28cm
- Highlight: Auto Navigation Remote Control Boat For Fishing
, Remote Control Boat For Fishing GPS ,
Auto Cruise Rc Boat Fishing Boat

Product Description

GPS Auto Navigation Fishing Bait Boat Auto Cruise Control Remote Control Ship

Do I need GPS in a bait boat?

Hey there, fishing enthusiasts! Today, we're diving into the exciting world of GPS autopilot bait boats. These technological marvels have completely transformed the way we fish. By seamlessly integrating GPS technology into bait boats, we now have a whole new level of convenience, precision, and efficiency at our fingertips. So, let's explore why GPS is so important in a bait boat and how GPS autopilot functionality make a difference in your carp fishing. We'll also highlight some of the best bait boats with GPS capabilities that you should check out. Let's get started!

Ease of Navigation with GPS Autopilot

Bait boats equipped with GPS come with an incredible feature called autopilot. It lets you set waypoints, chart routes, and even create detailed maps of your favourite fishing spots. The GPS autopilot takes over the navigation, allowing you to focus on other essential aspects of your fishing strategy. Imagine having your bait boat cruise along predetermined routes while you relax or handle other tasks. It's like having a trustworthy fishing companion right there with you!

Material	Specifications	Boat size	Remote Controller Size
ABS	GPS /GPS and sonar	69*43*28cm	17.5*5.16cm

GPS positioning
Auto Navigation / Auto Return

The advertisement features a black bait boat with yellow and white graphics, a white remote controller with a small screen, a blue battery pack, and four AA batteries. Below the boat, four icons represent key features: a dumbbell for maximum load, a wind icon for wind resistance, a monitor for high-end touch screen, and a remote control icon for 500 meters remote control.

- Maximum load 16 catties
- Wind resistance level five
- High-end touch screen
- 500 Meters remote control
